

## **COVID-19 TEMPORARY TRASH CHANGES**

Owners,

During this National Emergency, your trash provider will be temporarily changing policies until the stay-at-home orders are lifted. Please keep in mind this is industry wide at the moment.

The trash crew is trying to keep themselves and your community as safe as possible.

- American Disposal will be picking-up your old containers between 4/28-4/30. Please leave at the curb for them.
- Trash must be out by 6:00 a.m.
- All trash MUST be in the container. Any loose trash will be left.
- If anyone in your household has come in contact or has Covid-19, please limit your trash and put your trash out as early as you can.
- NO yard waste.
- ALL bulk item pick-ups SUSPENDED until further notice.
- DO NOT place plastic bags of any kind into recycling. This is considered contamination.
- Please regularly disinfect cart handles lids and any points of contact.

Thank you,

Questions comments or concerns please contact your Property Manager, Ingrid Ketterman at 703-707-6404 or via email [iketterman@capitolcorp.com](mailto:iketterman@capitolcorp.com).
